Experience

CDS/Studio B
New York, New York *July-November 2007*
Interned under Jeffrey Bennett and
Nicholas Dodziuk, working on a variety
of projects for both CDS and Studio B clients.

Respironics, Inc.
Pittsburgh, Pennsylvania *June-August 2006*
Interned at Respironics as a member of the
company's industrial design department.

NCKU Design Workshop
Taichung, Taiwan *May 2006*
Participated in an international student design
workshop/competition and worked in a team to
develop a product for home use. My team received
3rd place in the competition.

Teaching Assistant
School of Design *September-December 2005*
Assisted in teaching first year students the basics
of design.

Furniture Design
Copenhagen, Denmark *July-August 2005*
Attended school at Danmark's Designskole in
Copenhagen, Denmark and built a chair out of a
given amount of wood, inspired by Danish design
and architecture.

Career Days Student Chair
School of Design *2003-2007*
Helped plan and carry out a two-day job fair
specifically for designers.
